

Range Work Day Opportunities:

Self Scheduled:

Replace Flush Valves on Toilets in Men's Restroom (2) and Women's Restroom (3). Please contact David Landier at bgtc.rangedev@gmail.com if you would like to take this tasks as a work day. BGTC will supply the replacement valves. You will need to supply your own tools.

Upcoming Work Days:

Saturday March 9th – 1:00 – 4:00. Assemble Range K benches/reloading tables and paint Rifle Racks. We need 4-6 volunteers for this work day. All tools and supplies will be supplied, however, if you prefer to use your own drill/driver bring it along. This work day will NOT be canceled for rain unless there is extreme weather as it will be performed under the Range H shelter. Please contact David Landier at bgtc.rangedev@gmail.com if you would like to participated.

Saturday March 16th – 1:00 – 4:00. Install Bird Netting in the Picnic Pavilion. We need 4-6 volunteers for this work day. This project will require you to work on either a portable scaffold or ladder to install Bird Netting under the pavilion cover. Tools Needed: Hammer. Please contact David Landier at bgtc.rangedev@gmail.com if you would like to participated.
